

## ***SWEET ITALIAN SAUSAGE PASTA***

1 lb sweet Italian bulk sausage  
1 onion chopped (optional)  
8 cups chopped tomatoes  
1 lb your favorite pasta (penne, linguini, bow tie, etc)  
Grated Parmesan cheese

Cook sausage, and onion if desired, in pan till sausage is almost done. Add chopped tomatoes.

Continue to simmer till tomatoes are soft and a sauce is created – approximately 20 minutes.

Meanwhile boil pasta in water to desired texture. Drain pasta and combine with sauce. Sprinkle with parmesan cheese. Serve.
